

Hills Antenna Home Hub Enclosures

Image of 24HH720 displayed

Models Available:

24HH520

24HH720

24HH1000

The Hills Antenna Home Hub Enclosures have been designed and built with the modern home in mind. They are aesthetically pleasing with a tough powder coated finish in a neutral white colour to suit all colour palettes.

The Hills Antenna Home Hub exceeds the requirements for NBN Enclosures and is feature packed to suit various applications within the modern home. It can be surface mounted or flush mounted, the depth adjustable Escutcheon is included to give you the flexibility of choice. With everything you need in the box to get you started the Hills Antenna Home Hub is the most flexible product on the market and a notch above the rest when it comes to features, quality and serviceability. Whether you're looking for an enclosure for your NBN Fibre, Data, AV, Security or Television applications, look no further.

The feature packed Hills Antenna Home Hub has you covered.
